The contract documents shall consist of the advertisement for bids, instructions to bidders, specifications and bid forms, noncollusion affidavit, performance and payment bond forms, workers compensation affidavit, CDL Compliance Form, and hold harmless clause, all of which are hereto attached...
2. All bids shall be submitted on the form hereto attached, which may not be changed, modified, deleted or added to in any manner whatsoever, nor shall any written or printed communication be added thereto nor submitted therewith.
3. All bids shall be submitted in the place, time and manner set forth in the advertisement for bids.
4. The prices in this bid are neither directly nor indirectly the result of any agreement with any other bidder.
5. All blank spaces in the proposal shall be filled in clearly where indicated, either typed or written in ink. Altering and/or changing any part of this proposal will be sufficient reason for rejection.
6. The contractor hereby agrees to save harmless and fully indemnify Center Township and all its officers or agents from all damages, costs or expenses that may be at any time imposed or claimed for infringement of any patent right of any persons, association or corporation as a result of the use by Center Township or any of its officers, agents, or employees of the article(s) supplied under this contract and of which the contractor is not the patentee, assignee or licensee.
7. No contract may be assigned, sublet or transferred without written consent of the Board of Supervisors of Center Township.
8. The contract shall be awarded to the lowest responsible bidder, provided, however, that Center Township reserves the absolute right, in its discretion, to determine whether any bid is the equivalent of the specifications listed.
9. Center Township reserves the right to reject any and all bids, as well as to waive or assert any irregularity, informality or variation in any bids, as to it may appear to be in the best interest of the Township.
10. No award will be made to any bidder who, in the opinion of the Board of Supervisors, is in default on any bid proposal, or purchase order, or contract with the Township prior to date of the bid proposal under consideration.
11. The amount of the contract or contracts shall in all cases, whether of straight sale price, conditional sale, bailment lease or otherwise, be the entire amount which the Township shall be required to pay to the successful bidder or his assigns in order to obtain the services and/or property advertised for, and shall not be construed to mean only the amount which it pays to acquire title or to receive any other particular benefit of the whole bargain.
12. Center Township is **EXEMPT** from all excise taxes as well as State Sales Tax and Gasoline Taxes. **No tax shall be included in the bid price.** Successful bidders will be required to furnish tax exemption forms with their invoices.

If a contractor furnishes articles not meeting specifications, and does not replace such articles, or if there is a failure to deliver within the specified time, the Township may contract for the same in the open market, deduct the expense, including any excess in price over that called for in the contract from the amount due the contractor from Center Township. If the amount due the contractor is not sufficient to meet such expenses in excess price paid for, the Township may proceed against the contractor or his sureties under the bond or surety, by proper action through the Township Solicitor.

17. Any article that is defective or fails in any way to meet the terms of the contract or purchase order will be rejected. The decision of the Board of Supervisors shall be final and the rejected material will be replaced by and at the expense of the contractor and standard warranties for articles shall be provided.

18. It is to be understood that any reference to a particular manufacturer's product either by trade name or by limited description, has been made solely for the purpose of more clearly indicating the minimum standard of quality desired. An article meeting these conditions may be accepted.

19. Make certain that adequate postage to cover mailing is attached in order to insure prompt delivery of proposals. Center Township, Butler County, Pennsylvania, will not be responsible nor will it accept proposals delivered late or with postage due.

2. This Noncollusion Affidavit must be executed by the member, officer or employee of the bidder who makes the final decision on prices and the amount quoted in the bid.
3. Bid-rigging and other efforts to restrain competition and the making of false sworn statements in connection with the submission of bids are unlawful and may be subject to criminal prosecution. The person who signs the affidavit should examine it carefully before signing and assure that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the bidder with responsibilities for the preparation, approval or submission of the bid.
4. In the case of a bid submitted by a joint venture, each party to the venture must be identified in the bid documents, and an affidavit must be submitted separately on behalf of each party.
5. The term "complementary bid" as used in the affidavit has the meaning commonly associated with that term in the bidding process and includes the knowing submission of bids higher than the bid of another firm, any intentionally high or noncompetitive bid and any other form of bid submitted for the purpose of giving a false appearance of competition.

## **PSATS CDL PROGRAM CONTRACTOR'S STATEMENT OF COMPLIANCE**

Due to the nature of the work which this contractor may perform for this employer, this contractor must use employees who perform safety-sensitive functions for which a Commercial Drivers License (CDL) is typically required. Section 49 CFR 382.301 (c) (2) of the federal CDL regulations requires that, prior to the first time the Township uses a CDL employee employed by the Contractor, and every six months of the contract, the Contractor must certify that any CDL employees used by the Township remain covered by a qualified CDL drug and alcohol testing program.

If the Contractor is not participating in a qualified CDL drug and alcohol testing program at the time of the awarding of the contract, or at any six-month re-certification point, then all the Contractor's CDL employees must obtain a negative result on a pre-employment drug test before beginning (or continuing) contractor work for the Township. The PSATS CDL Program remains open to any contractor needing to join a qualified testing program.
